Attrition costs $13.6M a year, with 16.1% of employees leaving

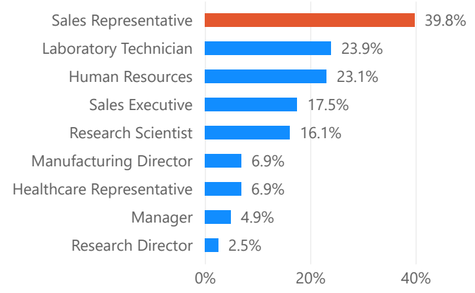

Headcount	Attrition Rate	Attrition Cost
1,470	16.1%	$13.6M

1.00

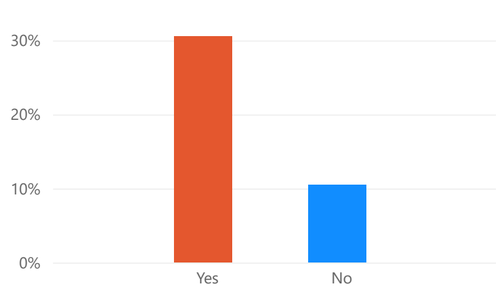

New joiners leave the most

Sales Representatives: ~40% attrition

Overtime triples attrition

Key insight: New employees working overtime leave at 55%, more than 3x the company rate (n=69)
Recommended actions:

1.Cap overtime for employees in their first year
2.Review pay for Sales Representatives and the lowest income band
3.Add a structured 12-month onboarding and check-in program
